DDI ACTIVITY REPORT ITEM  
(27 September-1 October 1965)

Availability of NIS on high priority area

In response to request from a representative of the CIA/DIA Joint Analysis Group, a special advance copy of the Ground Forces unit on Communist China, now at the printers, will be made available to him on 5 October. Also available on the same area is the Civil Air unit, currently being processed in Editorial Division. This maintenance unit brings up to date the previous coverage of May 1962.
